Mystery Date with a Book

Wrap a book and write a dating profile for it—then let a classmate choose it as their next read!

Email your submissions to

(one submission per student)

1. Choose a book you've read (favorite or just a good one).
2. Wrap the book so the cover/title can't be seen.
3. Fill out a Book Dating Profile Card and attach it to the outside.
4. Swap books with classmates by choosing a "mystery date" based on the profiles.
5. Submit your profile card. Winners will be chosen by lottery!
